From a Name You Trust

### Individual Attention

Ace it! Tutoring classes are limited to just ten or fewer students, meaning each student receives on-on-one learning time with their instructor.

### Convenience

Tutoring services are provided at your child's school or in one of our conveniently located centers.

### Parent & Teacher Involvement

Your child's Ace it! tutor will regularly report progress to you and your child's school teachers, contributing to your child's overall academic success.

### Academic Improvement

The Ace it! tutoring program begins with a skills assessment to determine each student's specific learning needs. The program is targeted to address skills essential to each student's academic improvement.

### High Quality Tutors

All Ace it! tutors have a bachelor's degree or higher, and successfully complete intensive program training prior to teaching their first Ace it! lesson.
