

Limestone Community High School

District No. 310

4201 South Airport Road, Bartonville, Illinois 61607-2199 (309) 697-6271

November 9, 2011

Dear Parent/Guardian:

Help your child succeed in school—sign up for free tutoring! As a result of the federal *No Child Left Behind Act*, your child can receive extra help approved subject areas. You can receive this free tutoring because your child's school is in its second year or later of school improvement (the school has not made adequate yearly progress on state tests for at least three years), and your family meets the income limits under the law.

When deciding which tutoring program is best for your child, you may want to consider these questions:

- When and where will the tutoring take place (at school, community center)?
- How often and for how many hours in total will your child be tutored?
- What programs, by grade levels and subject areas, are available for your child?
- What type of instruction will the tutor use (small group, one-on-one, or the computer)?
- What are the tutor's qualifications?
- Can the tutor help if your child has disabilities or is learning English?
- Is transportation available to and from where the tutoring will take place?

If more students request tutoring than can be served through available funding, priority will be given to low-performing students as determined by the district.

Please note that Supplemental Education Services are meant to tutor your student in *skills* that will make him/her more successful in their core academic classes; they *are not* meant as tutoring sessions for specific classes your student may currently be enrolled in. We encourage students needing tutoring in their current classes to communicate with their classroom teachers and set up appointments before or after school.

Please call Mr. Jon Hill at 697-6271 ext. 422 if you have any questions about these services. If you would like to take advantage of these services, please complete the selection form enclosed and mail it back to LCHS in the stamped envelope we have provided. **Applications are due by November 23, 2011.** You will receive a letter by December 2, 2011 telling you when the free tutoring will start.

Thank you,

Jon D. Hill, Ed.S.
Guidance Director
